This spacious double storey home is ideal for families looking for an environment that both facilitates communal family bonding as well as personal space to get away from the noise of a vibrant, busy home. This house design offers a large open plan kitchen, family and dining, opening up onto a spacious alfresco space. Upstairs, you will find four double bedrooms, with bed two, three and four conveniently close to the main bathroom, and the master bedroom boasting a large ensuite and walk-in wardrobe. With the impressive entry way, and plenty of entertaining space, this home is equally a dream for those who love to have guests over. In fact, an optional extra is to include an added guest room if required. This home design has the choice of 10 facades and a range of internal design options including alternate kitchen, grand alfresco, home theatre and corner stacker doors.

*Facades are a style and are for illustrative purposes only and are not house specific. They may demonstrate optional enhancements such as Colorbond roof, rendering and feature brickwork/tiles that are not standard but are available as an optional upgrade. Each facade may look slightly different from one house type to another and not all facades are available on every home. Items such as landscaping, water features and decking are not supplied by Clarendon Homes. Ask your New Home Consultant for full details on standard inclusions on the home and facade you have chosen. Standard facade pricing is based on face brick (and cladding to double storey homes) with roof tiles unless otherwise specified. E&O.E.
