Sophisticated style

The Sohar is a large single storey home, designed for families looking for a perfect balance of style and comfort. The entertaining area flows naturally from the modern kitchen to the dining and family rooms, with beautiful glass sliding doors that open onto an elegant alfresco area. If you need a peaceful retreat from the bustle of daily life, the master bedroom is located at the front of the house for maximum privacy. It features a large ensuite and walk-in wardrobe, so you don't need to choose between space and style. Walk-in wardrobes in two other bedrooms are perfect for teenagers with an ever-growing collection of clothes, while the formal living room is ideal for hosting guests in an elegant setting.
